

REBUILDING JIMTHANG MONASTERY & RETREAT HOUSE

Our Project in Bhutan is to build a Retreat Center for nuns, women and young people in Bhutan.

Right now mainly monks have the opportunity to do buddhist studies. It is rare that nuns and women have access to such studies.

His Eminence Tsugla Lopen Samten Dorji Rinpoche, one of the most referred monks in Bhutan, has initiated this project by asking MC Brigitte to come to Bhutan and help him building a Womens Center, which should have a place for women to study dhamma, a women refuge house a place for young Bhutanese to meditate and study Buddhism.

Jimthang monastery a old monastery which has not been in use for many years has been offered to His Eminence and he accepted it to start building such a facility.

The rebuilding of Jimthang monastery started in September 2014.

The Building of the first retreat house started on 7 of June 2015.
